

## General Manager Major Arena/Stadium – China

Excellent negotiable salary and benefits package

A unique opportunity to join one of the world's leading sports and entertainment companies who own and run stadia, arenas and franchises across the globe. China is vital to their growth strategy and this arena forms the platform for developing a network of similar venues throughout the country.

This particular arena will provide the centrepiece for international live performances, sporting events, family shows, commercial and retail activities, together with a potential base for further franchise development.

The General Manager will be responsible for the overall management and day-to-day operation of the arena and its future development in line with the global business plan and strategy.

The ideal candidate will be able to demonstrate:

- Experience of managing a large/international venue with full P&L responsibility
- Management of licensing, health & safety and operating procedures.
- Relevant experience of managing contractors and outside agents
- Commercial acumen as evidenced by a track record of negotiating sponsorship and other methods of revenue generation.

Personal attributes required:

- Pro-active leadership and excellent people management skills
- Strong PR presence and highly developed communications skills
- A commitment to delivering the highest standards of service
- Drive and ambition.

If you see this as a significant career opportunity where personal advancement will accompany the successful development of the business, then please contact:
